

Registration Form Continued

All precautions will be taken to ensure the safety of Kids' College participants. However, since your child is a minor we do need your permission for their participation. Please fill in the information below and sign and date this form.

I hereby give my child permission to attend and take part in all of Kids' College activities. I will not hold Montana Tech or Kids' College personnel responsible in the event of an accident or injury as a result of his/her participation. I understand that in an emergency I will be contacted immediately.

I hereby designate

Relative/Friend: _____

Daytime Phone: _____

to be contacted if I am not available.

I also give Montana Tech permission to use any photographic or video images taken of my son/daughter in future publications and/or advertisements for Kids' College.

Parent/Guardian's Signature _____

Date: _____

Registration is limited and students who register at least one week prior to the workshop of their choice will be given preference. Please mail this completed registration form (both sides) with your non-refundable registration fee to:

Do you have questions?

Feel free to call us at 496-4124

eXtreme Culture

Monday, June 21

China

Jim Griffin

Take a tour of the Mai Wai and experience some fascinating hands-on Chinese activities. One day, two different worlds.

Tuesday, June 22

Germany

Wendy Schoonen

Take a quick jaunt to Germany without the jetlag. Learn some songs, try some German treats, and leave being able to tell a story in German!

Wednesday, June 23

New Zealand

Scott Carver

Learn about the land down under. Not Australia, but the beautiful & exciting country of New Zealand.

Thursday, June 24

Cambodia

Justin Ringsak

Musician Justin Ringsak has just returned from touring Cambodia with his band. Share in his experiences with your own virtual tour.

Friday, June 25

Puerto Rico

Margarita Park

Welcome to Puerto Rico: The island of enchantment! Experience the local language, food, customs, animals and even the beach! You will definitely learn a word or two of Spanish.

eXtreme Art

Monday, July 19

Imaginary Worlds

Ruthellen Ruppel

The best artists are those that aren't afraid to use their imagination. This workshop encourages you to be creative.

Tuesday, June 20

Nature's Art Box

Keri Petritz

Celebrate the beauty of nature's creations by making art out of all that you see. Workshop includes time outdoors collecting and observing nature.

Wednesday, July 21

Saddle Up Partner

Michelle Christiansen

Ride the wave of the cowboy dancing. Learn the Honky Tonk, Cowboy Twist, Elvira, Achy Breaky and many more lines dances.

Thursday, July 22

Sculpting Masks

Shawn Crowe

Learn how masks have been used in different cultures throughout history. Create your own mask by molding your face.

Friday, July 23

Painting Masks

Shawn Crowe

You've sculpted your mask. Now, it's time to use colors and symbolism to paint your masks. Now this is what you call fashion!

eXtreme Science

Monday, August 2

Osprey Birds

Matt Vincent

Take a drive to see some miraculous birds as they fly around and participate in the research of these beautiful birds.

Tuesday, August 3

Weeds, Grazing, and the Range Doctor

Tanya Thrift and Lacy Decker BLM

Can you help us cure our sick patient and write the best prescription? Learn about plants, animals, and how to fight alien plant invaders in the outdoors.

Wednesday, August 4

Archeological Dig

Michael Masters

Become involved in an archeological excavation. Get ready to conduct a sub-surface survey for archeological remains, while learning about the methods in the archeological field.

Thursday, August 5

Biology

Kate McElroy

Biology is the building blocks of life. Enjoy learning about that makeup of our lives and all that surrounds us.

Friday, August 6

Super Square

Hilary Risser

Grades 1-3 ~ The adventures of Polygongirl and Curveboy: Follow superheroes as they explore shapes in art, music, puzzles & games.

Grades 4-6 ~ Hip to be square: Explore squares using pentominoes, tangrams, and see the use of squares & cubes in architecture and literature.

What is Kids' College?

Kids' College is designed to meet all interests, so if your child is looking for a half day workshop or something to do all week, this is just the thing! Kids' College offers children high quality summer activities that are fun and educational.

General Information

- ◆ Registration for one workshop, student's choice, is \$15. The entire week is only \$60 and includes a Friday graduation ceremony, where they receive a completion certificate and gift.
- ◆ Workshop presenters have been hand-selected on the basis of their expertise and ability to work with kids.
- ◆ Students are encouraged to bring a small snack and drink.
- ◆ Kids' College workshops are subject to cancellation in the event of low enrollment.
- ◆ Students should be dropped off and picked up from the Big Butte/Highland Room in the Student Union Building at Montana Tech. Transportation to and from Montana Tech will be provided for field trips.
- ◆ Questions about Kids' College, or need additional brochures to share with your child's friends:
Contact 496-4124

Students Grades 1-3

- ◆ Workshops will run from **9 am to Noon.**
- ◆ For students who register for the entire week, graduation will be on Friday. Parents are **ENCOURAGED** to attend the ceremony.

Students Grades 4-6

- ◆ Workshops will run from **1 pm to 4 pm.**
- ◆ For students who register for the entire week, graduation will be on Friday. Parents are **WELCOME** to attend the ceremony.
